

1421 Yellowstone Ave, Milpitas, CA 95035
Phone: (408) 262-0420

Sunnyhills Neighborhood Association (SNA) is a volunteer group of local people who actively work to improve our neighborhood and the City of Milpitas through positive activities and programs.

Sunnyhills Neighborhood Association has:

- Applied for and won a City of Milpitas Arts and Culture Grant in support of the 2023 Juneteenth Celebration and helped organize the event
- Applied for and won a \$15,000 Santa Clara County URJGENT Grant in support of the Sunnyhills Apartments Tenant Association which we used to provide 2 part time organizers with stipends, cover printing and other expenses, and help pay for 2 community celebrations.
- Created a scholarship fund which offers \$1,000 to a graduating senior with roots in Sunnyhills.
- Sponsored Milpitas Community Breakfasts, monthly gatherings for presentations and dialog that promote civic responsibility, build community cohesion, and bridge cultural gaps. Recent guests have included State Senator Wahab, Assembly Member Lee, County Supervisor Lee, City Housing and Economic Development Director Andrade, University of Louisville Professor and author Tracy K'Meyer, Milpitas community leader Chris Norwood, and MUSD Superintendent Jordan,
- Sponsored candidate forums in election years in collaboration with the Milpitas Beat.
- Produced or supported events such as a Neighborhood Halloween Party, National Night Out, and other activities.
- Over the years we advocated for the transformation of the Hetch-Hetchy right-of-way into Pecot Park, sparked the re-development of a derelict gas station into Crescent Center (Walgreen's), and successfully encouraged the refurbishment of Sunnyhills-Augustine Park. Today we are advocating for renewal and upgrades at Sandalwood Park.

With your help we will:

- Continue to solicit and secure grant funding which, thanks to our non-profit status, has helped attract thousands of dollars to community programs.
- Support K-12, affordable housing, and a safe and friendly Sunnyhills.
- Continue to offer scholarship opportunities to local youth.
- Continue bringing you programs and events and being an activist voice in City and area matters.

This ambitious program needs your support. Because most program funding comes from grants, it's critically important to demonstrate local support to the grant makers. Your SNA membership demonstrates that local support. At only \$25 per year, it's a bargain & it's tax deductible. We are a nonprofit 501(c)3 corporation. <http://sunnyhillsneighborhood.org/>
